Project Title: SKILL – UP

Project aims to increase the basic employability skills of hard-to-employ groups by equipping individuals with essential skills required for securing and sustaining employment.

The action is focusing in increasing the proficiency in basic literacy, numeracy and enhance digital skills of 60 long-term unemployed individuals to align their abilities with the current job market demands (30 from Korca and 30 from Pogradec) and to prepare them to access the labor market. The action will focus as well in increasing the awareness of local decision-makers about the situation of low-skilled vulnerable jobseekers and possible strategies to address the socio-economic exclusion of the target group.
