Project Title:	HAP Network/Rrjeti HAP (Hapësira për Aftësim dhe Punësim)

Overall objective is to build a network that supports unemployed persons with special needs by providing vocational training, job coaching, and connections to potential employers to achieve successful employment outcomes in Tirana & Shijak Municipality.

The project aims to foster inclusive employment for persons with disabilities by building a structured support network (HAP network) that connects people with disabilities jobseekers, employers, job coaches, and key institutions such as municipalities and NAES. The project will provide vocational training for 80 people with disabilities, while also preparing 40 job coaches to support inclusive workplace integration. The network efforts will strengthen collaboration between stakeholders to ensure sustainable supported employment initiatives.
