Project Title: Increasing the capacities of Roma and Egyptian job seekers to be included in the labor market

The overall objective of the project is to create equal and inclusive opportunities that will assist in the integration of Roma and Egyptian job seekers into the labor market.

The project aims to improve employment outcomes for 60 unemployed Roma and Egyptian job seekers by providing intensive counselling and tailored support for labour market integration and referrals to relevant local social services. The initiative also strengthens institutional cooperation between the Elbasan Employment Office, the Municipality of Elbasan, and the vocational center to support the targeted beneficiaries. The project aims to encourage broader social and economic inclusion of Roma and Egyptian communities.
