Project Title: Integrated Case Management (ICM) to Vulnerable Jobseekers: supporting their pathways from social assistance to employment

*The overall objective of the project is to implement the Integrated Case Management (ICM) model for 100 vulnerable girls/women in Elbasan Municipality, with a focus on enhancing their life and professional skills.*

The project aims to implement the Integrated Case Management (ICM) model to support 100 vulnerable girls and women in Elbasan Municipality, focusing on enhancing their life and professional skills and fostering inclusion and empowerment. Additionally, the project will introduce two innovative models, one focusing on career guidance and capacity building, and the other one a mobile service model for elderly care, piloted by 20 trained girls and women. Elbasan Municipality will contribute financially to the part-time employment of these trained participants, enabling them to provide essential assistance to elderly individuals in need.
